The first day after check in the youth participants went through Jedi Academy to collect their Kyber crystals. Saturday, we had rotating games of all types. In the afternoon we had four training blocks along

with competitions. The service project was clearing the back side of caterpillar pond's dam. A big thanks to our cook crew for providing delicious food throughout the whole weekend, and the cobbler crew for some delicious cobbler.

Here's what some of our Arrowmen had to say about the weekend.

"Everyone had a great time, and the Star Wars theme for the weekend made it quite enjoyable. Along with playing a lot of entertaining games like cornhole, flag football, 9 square, and many more. We also engaged in some Star Wars activities. We had to complete our bingo sheet throughout the weekend in order to support our lodge and assist them win the big prize or the traveling trophy at the end of the weekend." – **Ayden E.**

"Enjoyed the cheerful service of dishes and serving meals. 10/10 thumbs up" – **Zeke S.**

The traveling trophy is back home in the lodge building. Andrew K. had the honor of being awarded the RD Dunkin Award, which is similar to the Founders Award, but on the section level. Our lodge chief Brenner P. was elected Section Vice Chief. Thank you to everyone who went to Conclave Strikes Back, we hope everyone comes to next year's conclave at camp Hohn to bring home the traveling trophy again.
