# The Distinguished Service Award

The Distinguished Service Award (DSA) was created in 1940 to honor those who rendered service to the Order beyond the lodge level. The award is presented to Arrowmen, youth and adult, who have rendered distinguished and outstanding service to the Order on a sectional, regional, or national basis. The award is presented at National Order of the Arrow Conferences. Since the time the first awards were presented, less than 1000 Distinguished Service Awards have been awarded.

The award is a sterling silver arrowhead bearing an arrow pointing up and to the wearer's right. The award is suspended from a white neck-ribbon on which red arrows are embroidered. A white square knot embroidered on red cloth is available for uniform wear and a silver arrowhead lapel pin is available for civilian wear.

# The Founders Award

The Order of the Arrow Founder's Award is the highest national award given at the lodge level. It was first introduced at the 1981 National Order of the Arrow Conference (NOAC), following the death of Dr. Goodman.

This award honors Arrowmen in the OA for unselfish service above and beyond their normal duties to their lodge. Our lodge may present the award to up to two arrowmen annually, but one must be a youth under 21 years old. Lodges are not required to give the Founder's Award if they feel that no one is worthy of it. A member may only receive the award once in his or her life.

The award is a bronze medallion bearing the images of founder E. Urner Goodman, and cofounder Carroll A. Edson. The reverse of the medallion reads "For he who serves his fellows, is of all his fellows, greatest" which was Goodman's prime reason for starting the Order of the Arrow. The recipient is also presented with a certificate detailing his or her name and lodge and a red ribbon with gold arrow for the uniform.

# James E. West Fellowship Award

The James E. West Fellowship Award is a national recognition created in 1993 and presented to individuals who contribute \$1,000 or more in cash or securities to their local council endowment trust fund.

Dzie-Hauk Tonga Lodge periodically contributes to the fund in the name of an honoree the lodge wishes to recognize for service to the lodge.

The award is named after the first Chief Scout Executive of the Boy Scouts of America who exemplified Ralph Waldo Emerson's observation that "an institution is the lengthened shadow of one man." Scouting today is the "lengthened shadow" of more than three decades of the farseeing and dedicated leadership of Dr. James E. West.

Those who are recognized by the James E. West Fellowship Award will cast their own "lengthened shadow" as they help ensure the Scouting legacy for future generations of young people and create the financial stability of the program in the twenty-first century for their local council.

# Vigil Honor

The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen who have made distinguished contributions to the OA or scouting. Any member of the OA registered in Scouting and in good standing with the lodge are eligible to receive the vigil provided they have been a brotherhood member for at least 2 years. Nominations can be submitted by any lodge member but no more than 2% can be chosen. They are elected by a vigil committee made up of lodge youth members and at least half of those chosen under 21 years old. Since 1953 our lodge has selected over 400 vigil candidates including former Chief Scout Executive Roy Williams, in 1984.

# Roy Williams 1981-1984

The most famous member of Dzie-Hauk Tonga Lodge was Roy Williams, chief scout executive from 2000-2007. Roy was the Jayhawk Area Council Executive from 1981 thru 1984 and achieved Vigil Honor in the lodge in 1984.

During Roy's term in Topeka he raised funds to build a new dining hall at Camp Jayhawk and purchase a larger council headquarters building right off of I-70 that is still used today.

The lodge advisor at the time reported that he had to convince Roy that he was worthy to become a vigil honor member when he was nominated.

Roy was promoted to Director of Boy Scouts when he left Topeka in 1984.

Roy returned to a Vigil reunion held at Camp Jayhawk in 2002 attended by over 50 past vigil members from the lodge.

The *Nonprofit Times*, a publication covering the field of nonprofit management, named Williams as one the nation's top 50 outstanding leaders of nonprofit organizations for 2005.

## 2019 E. Urner Goodman Camping Award

In 1969, the Order of the Arrow established the E. Urner Goodman Camping Award as a tribute and memorial to the founder of our Order. Its purpose is to encourage and challenge Order of the Arrow members and lodges to improve their effectiveness in promoting and supporting Scout camping in their councils. Each year, two lodges in each region are recognized with the award. In its 51-year history, the E. Urner Goodman Camping Award, which is the Order's oldest national lodge award, has been presented to 233 different lodges.

Dzie-Hauk Tonga Lodge was one of two lodges from the Central region recognized with the E. Urner Goodman Camping Award for our accomplishments in 2019.

# UNCAS Society

The Uncas society was started in 2004 by Lodge Chief Alex Ast as a way to increase participation in lodge activities and to raise funds toward the purchase of an OA cargo trailer. It has been continued due to the significant increased participation in the lodge. Members are awarded a special "UNCAS" lodge flap with a red border that is not otherwise sold. The Lodge Executive Council has also approved the same flap with a white border for consecutive Uncas achievers.

To become an UNCAS member, an arrowman must provide a service to the lodge such as:

- conducting multiple unit elections,
- assisting with camp promotion activities,
- make or repair American-Indian regalia,
- assisting with maintenance of the lodge website
- assisting with the publication of the newsletter
- and many others.

The Uncas lodge flap also be earned donating a minimum of \$50 to the lodge for the first red bordered patch or \$100 for a subsequent white bordered patch.

*Recipients of the Uncas Award receive the red bordered patch (above) and recipients receive a white boarded patch (below) for each subsequent award.*

# Section G6 RD Dunkin Leadership in Service Award

Purpose: This award is designed to recognize those within Section G6 who go far beyond their immediate responsibilities as Arrowmen and by doing so have laid a path of excellence for other Arrowmen to follow. The award is named after R.D. Dunkin, who believed that young people can grow to exceptional strengths and reach their full potential with the right combination of leadership, education, mentorship, and love. R.D. Dunkin served as the Central Region Order of the Arrow Chairman for sixteen years and is responsible for shaping the region structure and program.

# Camp Jayhawk

The camp is located approximately 20 miles northeast of Topeka or just east of the Lake Perry Reservoir in one of the most scenic areas in Kansas.

Most of camp is in a wooded area surrounding 5-acre Lake Jayhawk where all of the aquatics activities occur. It is part of the 340-acre Falley Scout Reservation that was renamed in 1994.

In 1994 an additional 40 acres of grassy meadow was purchased. The west side of the camp now has 13 campsites used for summer camp. They are big enough so that tent sites are rotated every 3 years to keep the grass intact. The ponds and lake have excellent fishing and a big nature trail that goes through the area.

Camp Pioneer on the east side was closed in 1994 but was once used for summer camp where campers cooked their own meals for the week. The north campgrounds have been used for winter camping since the meadow was purchased. Also, on the north side a shotgun range and the COPE course were built in the mid 1990's.

There are many trails to make easy access to the central 'parade' grounds where the dining hall, some staff cabins and several other office buildings are located including Wingfoot lodge, the OA headquarters. 3 chapels and 2 climbing towers are just off the parade grounds. Below the parade grounds is the Inspiration Point amphitheater where most campfire activities are held. Inspiration Point or "I.P." overlooks the lake and provides one of the most spectacular views in the state.

The OA ceremonial grounds are located in a secluded area on the northeast side of the lake. Dying Elm was built in 1962. This area can hold over 200 arrowmen for ceremonies and provides another spectacular view overlooking Lake Jayhawk. Most pre-ordeal activities are conducted at Five Fires, a grassy spot in the woods close to Dying Elm with 5 fire altars representing the chapters that made up the lodge at the time were made in the mid 1960's.

Camp Jayhawk offers almost 30 merit badges as well as an extensive first-class emphasis system for 11-year-old scouts. It has one of the finest COPE courses in the country as well as 2 big climbing towers and shooting sports. Many older scouts' sign up for the nearby high adventure package that canoes on the Delaware River and Lake Perry as well as hiking an historic military trail.

# Dzie-Hauk Tonga Lodge History

Formal action of the Executive Board was taken in March 1950, and an application for Charter was made shortly thereafter, T.M. Clymer, William Kruzan and J.W. Norfolk, who were members of the Order of the Arrow in other councils formed the organizational team. Considerable time was spent in the Kansas Historical Society looking up Indian legends on history of Indian tribes in order that the name might be selected for the Lodge.

It was decided to hold the first organization meeting on Saturday and Sunday, May 6th and 7th and that with the help of Don Palmer, who had transferred from the Sioux Council of Sioux Falls, SD, the installation of outstanding adult campers was made and all of the Scouts who had been elected as honor campers at Camp Jayhawk in 1949, plus a few who had been members of the Camp Staff and who had been outstanding campers, were invited to become charter members.

Eighty members in all were invited to participate. For various reasons, some could not attend. Of these invited, forty-seven were taken into the Order of the Arrow. The regular Ordeal program was carried out and at the close of the Sunday evening ceremony, the following men and young men were elected as members of the Lodge Council.

The totem of our lodge is the Dzie-Hauk-Wa-Kon-Da the Thunderbird.

# Traditions of Dzie-Hauk Tonga Lodge

## *The Sacred Circle*

On April 25<sup>th</sup>, 1957 the following traditions were accepted by the Lodge Council after a presentation of the Traditions Committee.

- Our Lodge Circle shall be called “Dying Elm Lodge Circle”.
- An Arrowman before entering the sacred circle will stand erect in the entrance with arms folded. The Arrowman will raise both hands and face heavenward and will bow three times before returning the arms to the original position, at which time the Arrowman will silently enter the ring. The three bows are a witness to fellow Arrowmen of dedication to the principals symbolized by the three fires in front of the Chief’s Lectern. “Bowing in” is an individual dedication and need not be coordinated with others entering or leaving at the same time.
- An Arrowman working in or around the circle will only pay respects by bowing upon the first entrance and the last exit.
- When ready to leave, one will follow the same procedure as used for entrance, except the Arrowman will only bow once. “Bowing out” is an individual dedication and need not be coordinated with others entering or leaving at the same time.
- No one but an Order of the Arrow member and his Dear Mother shall be permitted to enter the Sacred Circle except with the permission of the Supreme Chief of the Lodge.
- As a matter of courtesy to the Chief of the Lodge, no one should pass between the Central Altar Fire and the Chief’s Lectern.
- The Sacred Circle is to be entered only at the designated entrance.
- Within twenty-four hours after returning to the camp reservation for any purpose, a faithful Arrowman will quietly return to the Sacred Circle and select some spot to kneel in silent or audible prayer.

## *Prepare for Grace*

The following tradition was added by the lodge in 1959.

- Arrowmen will take the “position of prayer” for Order of the Arrow meals and meals at Camp Jayhawk. The Arrowman will stand with arms folded then extended and hands heavenward and remain with uplifted arms until the conclusion of the prayer.
